

Time to speed it up.

If you like to play the game of softball and love competition, there's no better sport than fast pitch softball. BWFP Fall Registration is upon us and now is the right time to give fast pitch a try through an exciting yet instructional season.

BWFP fields fast pitch teams at various age levels for girls who are at least 8 years of age. Teams include 10-under, 12-under, 15-under and 18-under. Focused on developing girls whose interest is to play softball at the Middle School, JV, Varsity and College levels, our coaches are experienced travel ball instructors that have attended coaching clinics across the United States by leading college and U.S. Olympic team coaches.

Greater Pittsburgh Girls Softball League

September - October

Double-headers on weekends

Competition from teams in the surrounding South Hills communities

REGISTRATION IS OPEN NOW

Find the registration form online at www.bwfp.org
